HELPING PEOPLE, CHANGING LIVES!

Help Wanted

Phillips Lifeline Volunteers

Volunteers go out into the community and assist users with installations, equipment updates and teach users how the equipment works. It's a very simple program that isn't possible without our volunteers. Call (641) 774-3226 if you are interested or know someone that'd be perfect!

-- DAISY AWARD

Nurses at Lucas County Health Center (LCHC) now can be honored with **The DAISY Award for Extraordinary Nurses®**. The award is part of the DAISY Foundation's mission to recognize the extraordinary, compassionate nursing care they provide patients and families every day.

Nurses may be nominated by patients, families, and colleagues. The award recipient is chosen by a committee at LCHC to receive The DAISY Award. Awards are presented throughout the year at celebrations attended by the Honoree's colleagues, patients, and visitors. I'll attempt to share the nominees as they are awarded throughout the year. To learn more about the DAISY Award at LCHC or to nominate a nurse, visit www.lchcia.com.

SHIIP the Senior Health Insurance Information Program ...

For many people understanding Medicare and related health insurance can be confusing and overwhelming. Where do I start? What are my options? Am I making the right decision? What will it cost me? Is there help if I can't afford my insurance? I'm still working, do I have to sign up for Medicare?

Trained SHIIP volunteers can help. SHIIP is a free health insurance counseling service of the State of Iowa Insurance Division sponsored locally by LCHC Volunteer Services. SHIIP is looking for individuals who might like to join their team in Lucas county.

Who makes a good SHIIP counselor? If you enjoy tackling new challenges, like learning new information, gain satisfaction from helping people, have good computer skills, can work with diverse populations, and can be an objective and trusted source of information, SHIIP might be the volunteer experience for you.

SHIIP provides excellent training and resources to assure SHIIP counselors are prepared and have the tools they need for the counseling and community education.

For more information about becoming a SHIIP volunteer counselor and to get a copy of the counselor job description, please call (641) 774-3226 or visit www.lchcia.com/volunteers.
