## Manager's Minute

-- BY KRISTINE KENNEDY

Fall has arrived! With that comes flu season...yuck. As volunteers, you can get a free flu shot starting this month. All volunteers that work at LCHC must have their flu shots by November 1st or you must wear a mask until April 1st.

As always, if you get a flu shot somewhere else you must bring proof of getting your shot. You can call Joyce Dyer, Infection Control Nurse, at (641) 774-3220 to schedule your shot. Or, stop by her office from 8:00am to 3:00pm Monday-Friday.

## SHIIP News

Open Enrollment for Medicare Part D starts October 15 and runs until December 7.

Remember, it's always a good idea to complete a Part D Comparison each year. Plans change, formularies change, your medications change. By getting a comparison you can see if you're on the best plan for you.

## Station Spotlight

*Tuesday Together* ...by Cindy Sellers

Tuesday Together is a community wide effort that involves local churches, organizations and individuals who have come together to offer a free meal from 5:00 - 6:00 p.m. on each Tuesday night in the fellowship hall of the United Methodist Church at 923 Roland Ave starting on October 15th. This meal is offered to anyone stretching their budget dollars and would enjoy the fellowship of others. Food from the Food Bank of Iowa, baked donations, and financial donations from individuals across our community and volunteers are making this community service available.

We need you to help spread the word. If you and 3 of your family, friends or co-workers are interested in helping serve and clean-up, we encourage your participation. The effort takes about 2 ½ hours. Please contact Cindy Sellers at [cindysellers@mediacombb.net](mailto:cindysellers@mediacombb.net) or leave a message at 641-217-1228 and we will set a date and welcome your help. You will be contacted closer to your service date to confirm. High school youth interested in obtaining silver cord hours are invited to help. Community services such as this, require community involvement. Please consider a commitment of 2 1/2 hours to help others in our community.
