

VOLUNTEER Voice

HELPING PEOPLE, CHANGING LIVES!

Help Wanted

Volunteer Department Partner

I'm looking for a volunteer to help in the Volunteer Services office. Duties include filing, answering phones, data entry, and more. If you or someone you know is interested in volunteering a few hours a week, please contact me at (641) 774-3226. Or, view the position description on our website at www.lchcia.com/volunteers.

Events

 21-Betty Grismore 22-Julie Larrington
 25-Jackie Rowland 30-Judy Besco
 30-Barry Foust

Manager's Minute

-- BY KRISTINE KENNEDY

First, please remember to get your flu shot if you haven't already. Contact Joyce at (641) 774-3220 to schedule yours today!

Second, the newsletter will be changing. December's issue will be the last monthly issue. You will start receiving weekly email updates. The updates will be brief, relevant to what's coming up and easy to read with no attachments.

Last, those that do not have email addresses will still receive a monthly newsletter by mail. It will be like the current format. Please consider calling the Volunteer Office with your email address to receive weekly updates vs. the monthly newsletter. Or, email me at kkennedy@lchcia.com to share your email address. Happy Holidays!

[heart+soul News](#)

Join us for a Holiday Open House at heart+soul on December 12th from 9am-3pm.

Buy one item get the second half off sale! Paired with holiday treats.

Join us for a fun shopping experience that supports Volunteer Services.

STATION SPOTLIGHT TRANSPORTATION.....

LCHC Volunteer Services has been offering rides to and from medical appointments since we were known as RSVP. That was many years ago and this program has been very beneficial to many in our community. Our Transportation volunteers help many in the community that do not have vehicles or may not be able to drive. We also take donations to cover the cost of gas for those that cannot afford to pay.

Did you know there are other transportation opportunities in Lucas County? Veterans can receive free transportation to medical appointments by calling (641) 774-4611. Road to Recovery (American Cancer Center) provides transportation for individuals that need a ride to and from cancer treatments. Call 1-800-227-2345 to see if service is available or to become a volunteer. 10-15 Transit is a transportation service open to the general public of all ages, including persons with disabilities. Rates are very reasonable for rides inside the Chariton city limits and inside the Lucas County line. They are available for all types of rides, not just medical appointments. To schedule a ride call (641) 683-2024 or 1-800-227-6390.

While we have multiple transportation options in our community, our program is in need of more volunteers to join our transportation program. Please consider looking into this volunteer opportunity and find more information at www.lchcia.com/volunteers and click the "Want To Get Involved" button to learn more.
