

Low Salt/Sodium

Take a moment to look through our menu. To place your order,
dial 6255

We are available to take orders from 7 AM - 5 PM daily.

Your nursing staff is available to assist you with menu selections during your stay.

Please allow up to 45 minutes for your meal to be delivered.

There is a limit of one guest tray per meal per room.

Your 100% satisfaction is our number one goal. If, for any reason, our meal service does not meet your expectations, please call the Dietary Manager at extension 3206 and let us know how we can better serve you, our guest.

Step 1

Begin by making your beverage choice.

Snacks:

- ▷ Jell-O (*orange, strawberry*)
- ▷ Popcorn
- ▷ Pudding (*vanilla, chocolate, butterscotch*)
- ▷ Italian Ice (*strawberry, lemon*)
- ▷ Lite Yogurt (*assorted*)

About Your Diet

This diet is used to control blood pressure, fluid retention, shortness of breath, and swelling. Sodium is part of salt, therefore salt and salty foods are restricted. Foods to limit are ham, bacon, sausages (all kinds), salty canned soups, regular cheese, and prepared/packaged foods. Good choices available are foods prepared with little to no salt and lower sodium versions of soups, cheese, condiments, and seasoning.
